## Your Monthly Teacher and Administrator Support System

Welcome to P.D. Sprints, a new professional development initiative from C.L.A.S.S. Education that provides you and your school colleagues a 30-minute monthly video message with:

- Specific best practice strategies centered on **COVID-19 academic recovery**
- Current research in **learning cognition and brain science**
- **Leadership strategies** to integrate into your daily instruction
- A special keynote message to **inspire and motivate** you throughout the year

It's simple. It's meaningful. And it's a fun way to gain exceptional professional development throughout the year.

COST: \$899 per school (includes 10 monthly episodes)
